## **ATTENTION REGISTERED NURSES!**

**This is the FUTURE of RN Continuing Education –**

**Available TODAY – STAT! On Demand!**

**Ready Where & When You Are!**

The RN-Coder™ STAT Program, provides you with 150+ hours of comprehensive coding training (CPT, ICD9, HCPCS) in an accelerated format, developed by RNs for RNs! ***AVAILABLE NOWHERE ELSE!*** Earn 40 continuing education contact hours upon successful completion of the online RN-Coder Final Exam! (CA BRN CEP #13482)

Developed by nurses for nurses – this is the ONLY continuing education program in the United States created specifically for Registered Nurses and other clinical personnel.

Joyce Thomas, MHA, Certified Professional Midwife, licensed by the California Medical Board. Founder of the RN-Coder Network, Inc. CA BRN Continuing education provider #13482 since 2001. Joyce and one of her clients. Joyce is also the founder of the AquaNatal Birth Center, Chino, CA. [www.AquaNatalBirthCenter.com](http://www.AquaNatalBirthCenter.com)

This program also preps you for the Certified RN-Coder certification examination (also online – available when you are ready), given by the American Association of Clinical Coders and Auditors, the ONLY organization in the US testing and certifying clinical personnel in coding, compliance, and reimbursement. Please go to [www.AACCA.net](http://www.AACCA.net) for details.

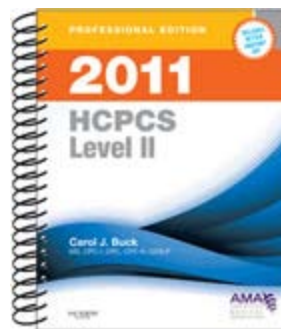

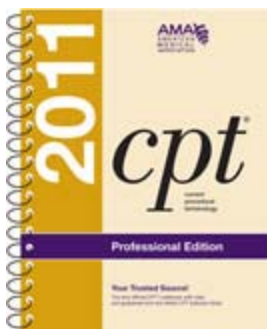

You will watch (review, rewind) approximately 40 hours of the five RN-Coder™ recorded sessions, featuring Joyce L. Thomas, MHA, CPC, CCC-Advanced, the nation's ONLY trainer for Registered Nurses, Physicians, PAs, PTs, -- any clinical personnel who would like to learn coding – and NOT have to re-take anatomy/physiology, medical terminology, disease process! All of your workbooks, lecture hand-outs, sample certification exams, and other materials are also on your RN-Coder memory stick!

NOW YOU can learn medical coding, Medicare compliance and reimbursement, HIPAA compliance, and documentation for correct coding, as well as coding sequencing and coding linkage – at home, the office, *wherever and whenever you want!* No internet connection necessary – just PLUG IT IN and GO!

PLEASE NOTE: You will also need to also purchase the following required coding manuals:

- CPT Professional (publisher: AMA only)
- ICD9CM, Volumes 1 & 2 (physician version)
- HCPCS (any version, least expensive)

Go to [www.Amazon.com](http://www.Amazon.com) , [www.AMAPress.com](http://www.AMAPress.com) , or [www.IngenixOnline.com](http://www.IngenixOnline.com) to purchase these coding manuals. You will also use them when taking your certification examination, as well as in the RN-Auditor program.

For payment for the STAT RN-Coder™ Program, we take VISA, Mastercard and Discover credit/debit (sorry no AMEX) cards. We also take money orders. However, if you register with a personal check, please be aware that we require 10 business days For ALL checks to "clear".
